

## A Right to a Choice - End-of-Life Options

1. Overview of Compassion & Choices
2. Discussion of the Bill - handout

-What the Bill allows

-Eligibility

- Key Provisions

3. Minnesota State Fair surveys showed support for personal choice when a person is facing imminent death;

2016 - 68%      2023 - 72%

4. States with Legalization: Starting with Oregon states have followed the basic bill structure of Oregon's bill from 25 years ago.

Washington, Montana, California, Hawaii, Colorado, New Mexico, Main, New Hampshire, New Jersey and the DC.

5. Bodily Autonomy/ Protecting Self-Determination/Personal Choice

6. Current vote status in the House and Senate as it stands now - Bill's to committee in Feb/2024

Professional Organizations that have Endorsed or are Neutral

E- League of Women Voters, National Association of Social Workers MN Chapter, the Humanists of Minnesota, the DFL Senior Caucus, and Rainbow Health

N- Minnesota Medical Association (Libertarian Party has given support to their party Platform)

Contacting our local Senator Grant Hauschild - He supports this bill and we can thank him for that support, and ask for him to be a Champion with his colleagues in the Senate.
