

## What's on the Kitchen Table Activity Plural Forms #3 - Bring \_\_\_\_\_

If a noun is Animate you say Biizh\_\_\_\_\_

If a noun is Inanimate you say Biidoon\_\_\_\_\_

In Anishinaabemowin nouns become plural in a very consistent manner and also show gender along with number:

- **Animate words** that end
  - In a vowel: "wag" or "g"
  - In a consonant: "ag" or "oog"
- **Inanimate words** that end
  - In a consonant: "n", "oon", or "an" at the end
  - In a vowel: "wan"

Add Biizh or Biidoon along with the plural ending to the following words below!
